WHAT WE BELIEVE

CREATE AMAZING SPACES. BUILD RELATIONSHIPS. HAVE FUN.

If your space needs a renovation or you have a new construction project, you have come to the right place. We listen to each client to fully understand what they need, whether it is style, comfort, functionality, or a combination of all. We explore creative possibilities and great design options for your space. During this process, we work closely with each client to navigate their choices and bring your vision to life. We are dedicated to helping our clients fall in love with their space.

WHAT WE OFFER

Beyond the Box is made up of a group of talented design professionals who are committed to providing each client with the space they truly desire. We provide computer generated line drawings, color renderings, floor plans and elevations along with proposed budgets and estimated time lines. Our team is National Kitchen & Bath Association Accredited and Certified Living In Place Professionals. We pride ourselves on continued education and staying up to date on industry knowledge and trends. The value we offer with our “boots on the ground” experience and job site visits creates fluid communication with our clients and their contracting team.

“Anita was amazing to work with-timely and thorough in her communication, creative design options with a focus on function, and all at a competitive price point” ...

— Michael R.

“Anita was wonderful to work with. Our closet design changed several times as we were deciding exactly what our bedroom remodel space would look like. She adapted beautifully...We absolutely love our closet space. It is beautiful, spacious and best of all - functional” ...

—Joni O.

“Anita made our closet remodel extremely easy, and she exceeded our expectations..”

— Van P.

“Anita was easy to work with and followed up on questions quickly! We are very happy with our new closet she designed, and it took our closet from one of the worst rooms in our home to one of the best! We highly recommend Anita for any of your home organizational needs!”

— Lisa B.
